WIL 40/7/19

VASCULAR PLANTS OF SOUTH WELLINGTON COAST  
WILDILFE MANAGEMENT "SPEARGRASS WEEVIL" RESERVE

Around mouth of Long Gully (between Sinclair Head and South Karori Stream).

Compiled during speargrass planting on 6 July 1985, and on 1 February 1986 by C. C. Ogle and others of Wellington Botanical Society.

- \* denotes exotic species.
- (u) denotes uncommon in the reserve (only one or a very few plants seen).

DICOTS

- Acaena anserinifolia (bidibidi)
- \* A. novae-zelandiae (bidibidi)
- Aciphylla squarrosa s.s. (speargrass)
- \* Anagallis arvensis (scarlet pimpernel)
- Apium australe (sea celery)
- Atriplex hastata (orache) (u)
- Brachyglottis (=Senecio) lagopus
- B. repanda (rangiora)
- \* Cakile edentula (sea kale)
- Calystegia soldanella (sand convolvulus)
- C. tuguriorum
- \* Capsella bursa-pastoris (shepherd's purse) (u)
- Cassinia leptophylla (tauhinu)
- \* Centaurium erythraea (centaury)

RUB

## DICOTS

- \* Cerastium fontanum subsp. triviale  
(mouse-eared chickweed)
- \* Cirsium arvense (Californian thistle)
- C. vulgare (Scotch thistle)
- Clematis hookeriana  
(C. forsteri var) (scented clematis)
- Colobanthus muelleri
- Coprosma propinqua
- C. repens subsp. repens (taupata)
- C. rhamnoides
- C. propinqua x C. robusta (u)
- Coriaria sarmentosa (shrub tutu)
- Cotula squalida subsp. squalida
- Craspedia uniflora var  
maritima (yellow woolly head)
- Crassula sieberiana
- Dichondra repens (Mercury Bay weed)
- \* Digitalis purpurea (foxglove) (u)
- Disphyma australe (iceplant)
- Einadia (=Rhagodia) triandra (u)
- Epilobium alsinoides (willowherb)
- E. microphyllum (willowherb)
- E. nummularifolium (willowherb)
- \* Euphorbia peplus (milkweed)
- Fuchsia perscandens (climbing fuchsia) (u)
- Fumaria muralis (fumitory)
- \* Galium aparine (cleavers)
- \* Geranium molle (dove's foot)
- G. sessiliflorum
- \* Glaucium flavum (horned poppy)
- Gnaphalium audax s.s. (cudweed) (u)
- G. sp (=Pseudognaphalium sp.) (unamed;
- G. luteo-album agg.) (cudweed)

## DICOTS

- Haloragis erecta var erecta  
Hebe stricta var macroura (koromiko)  
Helichrysum aggregatum (u)  
Hymenanchera crassifolia (u)  
\* Hypochoeris radicata (cat's ear)  
Lagenifera pumila  
\* Leontodon taraxacoides (hawkbit)  
Leptospermum scoparium (manuka) (u)  
Linum monogynum  
Lobelia anceps  
Macropiper excelsum (kawakawa) (u)  
Melicytus ramiflorus (mahoe)  
Microseris scapigera  
\* Mimulus guttatus (monkey musk)  
Muehlenbeckia australis (pohuehue) (u)  
M. complexa (pohuehue)  
\* Nasturtium officinale (watercress)  
Olearia paniculata (akeraho)  
O. solandri  
\* Orobanche minor (broom rape)  
\* Osteospermum ecklonis (dimorphotheca)  
Oxalis exilis  
Pimelea sp. (P. prostrata/P. urvilleana) (pinatoro)  
\* Plantago lanceolata (narrow-leaved plantain)  
\* P. major (broad-leaved plantain)  
P. raoulii var. [broad-leaved, coastal form]  
\* Polycarpon tetraphyllum (allseed)  
\* Prunella vulgaris (self heal)  
Ranunculus acaulis (sand buttercup) (u)  
\* R. repens (creeping buttercup)  
Raoulia sp. (c.f. R. hookeri)  
\* Raphanus raphanistrum (wild radish)  
\* Rumex acetosella (sorrel)  
\* Sagina apetalus

## DICOTS

- \* S. procumbens (pearwort)
- Samolus repens (sea primrose)
- Scleranthus biflorus (u)
- \* Senecio elegans
- S. hispidulus (u)
- \* S. jacobea (ragwort)
- S. lautus subsp. lautus
- \* Silene gallica (catchfly)
- \* Sonchus asper (prickly sowthistle)
- S. kirkii
- \* S. oleraceus (puwaha)
- \* Stellaria media (chickweed)
- \* Taraxacum officinale (dandelion)
- \* Trifolium dubium (suckling clover)
- \* T. glomeratum (clustered clover)
- \* T. repens (white clover)
- \* Ulex europaeus (gorse)
- Urtica ferox (shrub nettle)
- \* Vicia hirsuta (hairy vetch) (u)
- \* V. sativa (vetch)
- Vittadinia australis (harebell)
- \* Wahlenbergia gracilis (harebell)

## MONOCOTS

- \* Agrostis tenuis (browntop)
- \* Aira caryophyllea (silvery hair grass)
- \* Aloe sp. (aloe - planted only?) (u)
- \* Anthoxanthum odoratum (sweet vernal)
- \* Arrhenatherum elatius (tall oat-grass)
- Austrofestuca littoralis (= Poa triodioides)
- \* Bromus mollis (soft brome)
- Carex flagellifera
- C. lessoniana (u)

## MONOCOTS

- C. pumila (sand carex)  
Cordyline australis (cabbage tree) (u)  
Cortaderia fulvida  
Cyperus ustulatus  
\* Dactylis glomerata (cock's foot)  
Desmoschoenus spiralis (pingao)  
Deyeuxia billardieri (sand bent)  
\* Ehrharta erecta (veldt grass) (u)  
Elymus sp. (E. rectisetus agg.) (blue wheatgrass)  
\* Festuca arundinacea (tall fescue)  
F. multinodis  
\* Holcus lanata (Yorkshire fog)  
\* Hordeum murinum (?) (barley grass)  
Isolepis (=Scirpus) cernua  
I. (=S.) nodosa (club sedge)  
I. (=S.) prolifer (u)  
\* Juncus articulatus (jointed-leaved rush)  
J. caespiticius (u)  
Lachnagrostis richardii  
\* Lagurus ovatus (hare's tail)  
\* Lolium perenne (perennial ryegrass)  
Luzula banksiana var. banksiana (woodrush)  
Phormium cookianum (coastal flax)  
Poa anceps var. anceps  
P. laevis (silver tussock)  
\* Rytidosperma racemosum  
1613/99  
R.M. [unclear]  
Spinifex hirsutus (spinifex)  
Thelymitra longifolia (sun orchid)  
Trisetum antarcticum (u)

## FERNS

Adiantum cunninghamii (maidenhair)

Asplenium flabellifolium

A. terrestre subsp. maritimum

Blechnum chambersii

B. minus (swamp kiokio) (u)

B. sp (unnamed; B. capense

agg. Common lowland species

with proximal pinnae reduced)

Paesia scaberula (ring fern) (u)

Phymatosorus diversifolius (hound's tongue)

Pneumatopteris pennigera

Polystichum richardii

Pteridium esculentum (bracken)

Pyrrosia serpens
