

HUTCHINSON SCENIC RESERVE

NATIVE SPECIES

SEED BEARING PLANTS

A. Conifers (Gymnosperms):

- | | |
|---------------------------------------|------------------------------|
| ✓ Dacrycarpus dacrydioides | Podocarpus totara var totara |
| ✓ Dacrydium cupressinum | Prumnopitys ferruginea |
| Podocarpus cunninghamii <i>hallii</i> | Prumnopitys taxifolia |

B. Flowering Plants (Angiosperms):

- | | |
|--|---------------------------------------|
| ✓ *Acaena anserinifolia | ✓ Hebe stricta |
| ✓ Alseuosmia pusilla | ✓ Hoheria angustifolia x sexstylosa |
| ✓ Aristotelia fruticosa var <i>minor</i> | ✓ Hoheria populnea var. lanceolata |
| ✓ Aristotelia serrata | ✓ Hydrocotyle moschata |
| ✓ Astelia fragrans | ✓ *Juncus gregiflorus |
| ✓ Cardamine debilis <i>ass.</i> (<i>Narrow</i> <i>Retae</i>) | ✓ Kunzea ericoides |
| ✓ Carex <i>coriacea</i> | ✓ Leptospermum scoparium |
| ✓ Carex dissita s.s. | ✓ Luzula picta s.s. |
| ✓ Carex secta s.f. | ✓ Melicope simplex |
| ✓ Carex forsteri | ✓ Melicytus lanceolatus |
| ✓ Carex flagellifera | ✓ Melicytus micranthus |
| ✓ Carmichaelia arborea var. | ✓ Melicytus ramiflorus |
| ✓ Carpodetus serratus | ✓ Metrosideros diffusa |
| ✓ Clematis foetida | ✓ Microlaena avenacea |
| ✓ Clematis paniculata | ✓ Muehlenbeckia australis |
| ✓ Clematis "small leaved" = <i>foet. juv.</i> | ✓ Myrsine australis |
| ✗ Coprosma ? <i>ciliata</i> NO | ✓ Neomyrtus pedunculata |
| ✓ Coprosma <i>parviflora</i> NO = <i>C. sp.</i> | ✓ Nestegis lanceolata |
| ✓ Coprosma propinqua | ✓ Nothofagus fusca |
| ✓ Coprosma propinqua x <i>robusta</i> | ✓ Olearia furfuracea |
| ✓ Coprosma rhamnoides | ✓ Olearia virgata var. <i>robusta</i> |
| ✓ Coprosma rigida | ✓ Ourisia macrophylla var. |
| ✓ Coprosma robusta | ✓ Oxalis lactea <i>magellanica</i> |
| ✓ Coprosma rotundifolia | ✓ <i>Strobilium</i> microphylla |
| ✓ Coprosma <i>frubra</i> | ✓ Parsonsia heterophylla |
| ✓ Coprosma rugosa | ✓ Pennantia corymbosa |
| ✓ Coprosma tenuifolia | ✓ Phormium cookianum |
| ✓ Cordyline australis | ✓ Pittosporum eugenioides |
| ✓ Coriaria kingiana | ✓ Pittosporum ralphii |
| ✓ Corokia cotoneaster | ✓ Pittosporum tenuifolium |
| ✓ Cortaderia <i>fulvida</i> | ✓ Plagianthus regius |
| ✓ Corybas orbicularis = <i>C. vivilianus</i> | ✓ Poa anceps |
| ✓ <i>Cyathodes</i> fasciculata | ✓ Potamogeton cheesemanii |
| ✓ Eleocharis acuta | ✓ Pseudopanax anomalus |
| ✓ Epilobium nerteroides | ✓ Pseudopanax crassifolius |
| ✓ Epilobium nummulariifolium | ✓ Pseudowintera colorata |
| ✓ Epilobium pedunculare | ✓ Ranunculus <i>hirtus reflexus</i> |
| ✓ Fuchsia excorticata | ✓ Rubus cissoides |
| ✓ Gaultheria antipoda | ✓ Rubus schmidelioides |

small
a few
in list
to my list

2

- ✓ *Geranium sessiliflorum
- ✓ Gnaphalium audax
- ✓ Gnaphalium gymnocephalum
- ✓ *Pseudis* Gnaphalium luteoalbum & ss
- ✓ Griselinia littoralis
- *Gunnera monoica

- ✓ Senecio minimus
- ✓ Sophora tetraptera
- ✓ Stellaria ~~parviflora~~ *decupiens*
- ✓ Uncinia uncinata
- ✓ Urtica incisa

FERNS AND FERN ALLIES:

- | | |
|-------------------------|--------------------------------|
| ✓ Asplenium bulbiferum | ✓ Hypolepis ambigua |
| ✓ Asplenium polyodon | ✓ Hypolepis millefolium |
| ✓ Blechnum "black-spot" | ✓ Leptopteris hymenophylloides |
| ✓ Blechnum chambersii | ✓ Lycopodium volubile |
| ✓ Blechnum fluviatile | ✓ Paesia scaberula |
| ✓ Blechnum membranaceum | ✓ Pellaea rotundifolia |
| ✓ Blechnum penna-marina | ✓ Phymatosorus diversifolius |
| ✓ Blechnum vulcanicum | ✓ Pneumatopteris pennigera |
| ✓ Dicksonia fibrosa | ✓ Polystichum vestitum |
| ✓ Hystriopteris incisa | ✓ Pteridium esculentum |

NATURALISED PLANTS

- | | |
|-------------------------|------------------------|
| Agrostis capillaris | Lotus pedunculatus |
| Callitriche stagnalis | Ranunculus fluviatilis |
| Dactylis glomerata | Ranunculus repens |
| Festuca arundinacea | Rubus fruticosus aggr. |
| Festuca rubra.commutata | Rubus phoenicolasius |
| Galium aparine | Solanum dulcamara |
| Holcus lanatus | Trifolium dubium |
| Juncus articulatus | Trifolium repens |
| Ligustrum vulgare | |

PLANTED

- | | |
|--------------------|-----------------------|
| Acacia melanoxylon | Populus sp. |
| Alnus glutinosa | Pseudotsuga menziesii |
| Eucalptus sp. | Salix sp. |
| Larix decidua | Sequoia sempervirens |

BIRDS

- | | |
|--------------|----------------|
| Grey warbler | N.Z. pigeon |
| Harrier | Paradise duck |
| Kingfisher | Shining cuckoo |
| Minah | Tui |

A total of 135 species was recorded:
 113 native species: (6 gymnosperms, 89 angiosperms,
 18 ferns and allies)
 25 exotic species

8 bird species

* Outside reserve
