

SOME INDIGENOUS VASCULAR PLANTS OF SMITH'S BAY, SMITH'S GULLY AND COASTAL SLOPES SOUTH TO MAKARA ESTUARY, WELLINGTON, CENTRED ON NZMS 260 R27 Pt Q27 G.R. 538975, COMPILED ON 21/8/93 BY J.C.HORNE AND B.J. MITCALFE, REVISED BY P ENRIGHT AND O JOHN.

MONOCOT TREES

Cordyline australis

DICOT TREES, SHRUBS AND TRAILING PLANTS

Brachyglottis repanda

Carmichaelia australis

Cassinia leptophylla

Coprosma propinqua

Coprosma rhamnoides

Coprosma robusta

Corynocarpus laevigatus

Cyathodes juniperina

Hebe stricta var. *macroura*

Leucopogon fasciculatus

Leucopogon fraseri

Macropiper excelsum

Melicytus ramiflorus

Myoporum laetum

Olearia paniculata

Olearia solandri

Pimelea urvilleana

Pennantia corymbosa

Rhabdothamnus solandri

Solanum laciniatum

DICOT LIANES

Clematis forsteri

Clematis paniculata

Metrosideros perforata

Muehlenbeckia australis

Muehlenbeckia complexa

FERNS

Adiantum cunninghamii

Asplenium bulberiferum

Asplenium flabellatum

Asplenium hookerianum

Asplenium oblongifolium

Asplenium obtusatum

Asplenium terrestre

Blechnum "common lowland"

Blechnum chambersii
Blechnum fluviatile
Blechnum minus
Cyathea medullaris
Dicksonia squarrosa
Grammitis sp.
Hypolepis ambigua
Paesia scaberula
Phymatosorus pustulatus
Pneumatopteris pennigera
Polystichum richardii
Pteridium esculentum
Pteris tremula
Pyrrosia eleagnifolia

ORCHIDS

Acianthus fornicatus
Bulbophyllum pygmaeum
Thelymitra sp,

GRASSES

Cortaderia fulvida
Cortaderia toetoe
Festuca multinodis
Poa anceps
Poa cita

SEDGES

Carex flagellifera
Carex secta
Cyperus ustulatus
Uncinia uncinata

RUSHES

Leptocarpus simplex
Isolepis prolifer
Juncus (pallidus ?)
Luzula (banksiana ?)

MONOCOT HERBS

Collospermum hastatum
Linum monogynum
Phormium cookianum

COMPOSITE HERBS

Microseris scapigera

(Pseudo?) gnaphalium sp.1

(" ?) " " 2

Raoulia hookeri

Senecio sp.

Senecio rufiglandulosus

Sonchus kirkii

DICOT HERBS (OTHER THAN COMPOSITES)

Acaena anserinifolia

Aciphylla squarrosa

Cardamine sp.

Craspedia uniflora var. maritima

Crassula (sieberiana ?)

Dichondra repens

Disphyma australe

Epilobium (nummularifolium ?)

Haloragis erecta

Lagenifera sp.

Hydrocotyle moschata

Lobelia anceps

Oxalis exilis

Samolus repens

Tetragonia trigyna

Viola filicaule

Wahlenbergia sp.
