

**LIST 1: SOME INDIGENOUS VASCULAR PLANTS AT THE FOLLOWING SITES ON THE NORTH END OF MIRAMAR PENINSULA, MAP NZMS 260 SHEET R27 Pt.Q27 WELLINGTON:**

- 1. MAUPUIA PARK (WCC), G.R. 630883.**
- 2. MAHANGA BAY BUSH (NZ DEFENCE FORCES & WCC), G.R. 633889.**
- 3. NAKORA ROAD BUSH (WCC), G.R. 63558805.**
- 4. BUSH ALONG TRACK BETWEEN NEVAY & DARLINGTON ROADS (WCC), G.R. 63108785.**

**COMPILED BY B.J.MITCALFE AND J.C.HORNE ON 1-10-1995, REVISED BY MITCALFE, HORNE AND R.SMITH ON 25-4-1998, AND ON 2-5-98 BY WELLINGTON BOTANICAL SOCIETY.**

**KEY: D= Darlington Road/Maupuia Park a.k.a.Centennial Park only. P= Planted  
M= Mahanga Bay Bush only**

**GYMNOSPERMS**

Podocarpus totara (D) (P?)

**MONOCOT TREES**

Cordyline australis

**DICOT TREES, SHRUBS AND TRAILING PLANTS**

Agathis australis (P - prison)

Brachyglottis repanda

Carmichaelia australis

Coprosma lucida

Coprosma propinqua

Coprosma repens

Coprosma rhamnoides

Coprosma robusta

Coprosma propinqua x C. robusta

Corynocarpus laevigatus

Cyathodes juniperina

Dodonea viscosa (P)

Dysoxylum spectabile (M)

Fuchsia excorticata

Geniostoma rupestre var. ligustrifolium

Hebe sp.(=Veronica arborea)

Hebe elliptica var. crassifolia (P)

Hebe speciosa (P)

Hebe stricta

Hoheria populnea

Knightia excelsa

Leptospermum scoparium

Leucopogon fasciculatus (D)

Lophomyrtus bullata

Macropiper excelsum

Melicope ternata (M)

Melicytus crassifolius

Melicytus ramiflorus

Melicytus obovatus (M)

Metrosideros excelsa (P)

Myoporum laetum  
Myrsine australis  
Olearia solandri  
Ozothamnus leptophyllus  
Pennantia corymbosa (D)  
Pittosporum crassifolium  
Pittosporum ralphii  
Pittosporum tenuifolium (D)  
Pseudopanax arboreus  
Pseudopanax lessonii hybrid  
Solanum laciniatum

### **MONOCOT LIANES**

Freycinetia baueriana ssp. banksii  
Ripogonum scandens

### **DICOT LIANES**

Clematis forsteri  
Metrosideros diffusa  
Metrosideros perforata (D)  
Muehlenbeckia australis  
Muehlenbeckia complexa  
Parsonsia heterophylla  
Tetragonia trigyna

### **LYCOPODS**

Lycopodium volubile

### **FERNS**

Adiantum cunninghamii  
Asplenium bulberiferum  
Asplenium flabellifolium  
Asplenium flaccidum  
Asplenium oblongifolium  
Asplenium bulbiferum x A. flaccidum  
Asplenium terrestre  
Asplenium terrestre var. maritimum  
Asplenium hybrid  
Azolla filiculoides (P - prison)  
]Blechnum chambersii  
Blechnum filiforme (D)  
Blechnum minus  
Blechnum procerum  
Blechnum "lowland" (D)  
Cyathea dealbata  
Cyathea medullaris  
Grammitis ciliata  
Hymenophyllum rarum  
Hypolepis ambigua (D)

Lastreopsis glabella  
Phymatosorus pustulatus  
Pellaea rotundifolia  
Pneumatopteris pennigera  
Polystichum richardii  
Pteridium esculentum  
Pteris sp.  
Pyrrosia eleagnifolia

### **ORCHIDS**

Pterostylis banksii  
Pterostylis sp.  
Thelymitra longifolia

### **GRASSES**

Poa anceps  
Poa cita  
Cortaderia fulvida

### **SEDGES**

Carex flagellifera  
Carex geminata  
Carex virgata  
Carex lessoniana  
Cyperus ustulatus  
Luzula banksiana  
Uncinia uncinata

### **RUSHES**

Juncus gregiflorus  
Juncus pallidus

### **MONOCOT HERBS OTHER THAN ORCHIDS, GRASSES, SEDGES AND RUSHES**

Dianella nigra  
Libertia ixioides (D)  
Phormium cookianum

### **DICOT HERBS**

Dichondra repens  
Gnaphalium luteo-album  
Haloragis erecta  
Hydrocotyle moschata  
Hydrocotyle novae-zeelandiae  
Parietaria debilis  
Stellaria decipiens  
Tetragonia trigyna

## LIST 2: ADVENTIVE VASCULAR PLANTS

Agapanthus  
Arum lily  
Bay  
Banana passionfruit  
Bindweed  
Blackberry  
Black nightshade  
Black wattle  
Boneseed  
Broom  
Buddleia  
Canadian fleabane  
Cape ivy  
Climbing asparagus  
Climbing dock  
Clover  
Cotoneaster  
Creeping buttercup  
Dahlia  
Dandelion  
Darwin's barberry  
Dock  
Eleagnus  
Elephant's ear  
Fennel  
German ivy  
Gorse  
Hemlock  
Ivy  
Japanese honeysuckle  
Kikuyu  
Lotus  
Lupin  
Macrocarpa  
Mallow  
Montbretia  
Nasturtium  
Nightshade  
Old man's beard  
Onion weed  
Pampas (2 spp.)  
Periwinkle  
Pinus muricata  
Pinus ponderosa  
Pinus radiata

Plantain sp (broad- & narrow-leaved)  
Privet  
Prunus sp.  
Ragwort  
Sweet alyssum  
Tasmanian "ngaio"  
Valerian  
Veldt grass  
Solanum subobulatum  
Wallflower  
Wandering willie  
Water cress  
Wild parsley  
Wild pea  
Wild turnip  
Willow-leaved hakea  
Windmill palm (P - prison)

#### **BIRDS - INDIGENOUS**

Kotare = kingfisher  
Piwakawaka = fantail  
Riroriro = greywarbler  
Spur-winged plover  
Tauhou = waxeye  
Tuui

#### **BIRDS - INTRODUCED**

Chaffinch  
White-backed magpie
