WANGANUI PLANT LIST NO. 64

Indigenous vascular plants of Pilkington's Bush Area, Turakina Valley  
Sheet No. 138/977945  
Wanganui Botanical Group  
30 October 1993

---

Abundance ratings: a + abundant; c = common; o = occasional; u = uncommon

Gymnosperms

|                                 |           |   |
|---------------------------------|-----------|---|
| <i>Dacrycarpus dacrydioides</i> | kahikatea | c |
| <i>Podocarpus totara</i>        | totara    | o |
| <i>Prumnopitys ferruginea</i>   | miro      | o |

Dicotyledonous Trees and Shrubs

|   |                        |                  |
|---|------------------------|------------------|
| <i>Alectryon excelsus</i>                             | titoki                 | c                |
| <i>Beilschmiedia tawa</i>                             | tawa                   | c                |
| <i>Brachyglottis repanda</i>                          | rangiora               | o                |
| <i>Carpodetus serratus</i>                            | putaputaweta           | u                |
| <i>Coprosma rhamnoides</i>                            |                        | o                |
| <i>Coprosma rotundifolia</i>                          |                        | o                |
| <i>Geniostoma rupestre</i> var. <i>ligustrifolium</i> | hangehange             | u                |
| <i>Hedycarya arborea</i>                              | pigeonwood             | u                |
| <i>Hoheria angustifolia</i>                           | narrow-leaved lacebark | juvenile<br>only |
| <i>Knightia excelsa</i>                               | rewarewa               | u                |
| <i>Kunzea ericoides</i>                               | kanuka                 | c                |
| <i>Macropiper excelsum</i>                            | kawakawa               | u                |
| <i>Melicytus ramiflorus</i>                           | mahoe                  | o                |
| <i>Myrsine australis</i>                              | mapou                  | o                |
| <i>Pittosporum tenuifolium</i>                        | kohuhu                 | o                |
| <i>Pseudopanax crassifolius</i>                       | lancewood              | o                |
| <i>Schefflera digitata</i>                            | pate                   | o                |
| <i>Sophora microphylla</i>                            | kowhai                 | o                |
| <i>Streblus heterophyllus</i>                         | small-leaved milk tree | o                |
| <i>Urtica ferox</i>                                   | ongaonga, tree nettle  | 1 only           |

Lianes

|  |                     |                  |
|--|---------------------|------------------|
| <i>Clematis</i> sp. ( <i>C. paniculata</i> or <i>C. forsteri</i> ) |                     | juvenile<br>only |
| <i>Metrosideros colensoi</i>                                       | white flowered rata | o                |
| <i>Muehlenbeckia australis</i>                                     | Pohuehue blackvine  | o                |
| <i>Parsonsia capsularis</i>  | native jasmine      | o                |
| <i>Ripogonum scandens</i>  | supplejack          | c                |
| <i>Rubus schmidelioides</i>  | lawyer              | c                |

Monocots

|                      |                          |    |
|----------------------|--------------------------|----|
| Astelia sp           | perching lily            |    |
| Cordyline australis  | cabbage tree             | o  |
| Earina mucronata     |                          | o  |
| Microlaena avenacea  | bush rice grass          | c  |
| Microlaena stipoides | meadow rice grass        | o  |
| Phormium cookianum   | wharariki, mountain flax | o? |

Dicot Herbs

|                         |             |   |
|-------------------------|-------------|---|
| Cardamine debilis agg.  | bittercress | c |
| Epilobium pallidiflorum | willowherb  | o |
| Nertera depressa        |             | u |
| Senecio rufiglandulosa  |             | u |

Ferns

|   |                    |             |
|---|--------------------|-------------|
| Adiantum cunninghamii                                       | maiden hair fern   | u           |
| Asplenium flaccidum   | hanging spleenwort | c           |
| Asplenium gracillimum                                       |                    | o           |
| Asplenium oblongifolium                                     | shining spleenwort | 1 only      |
| Asplenium polyodon  | sickle spleenwort  | 1 only      |
| Blechnum chambersii   |                    | o           |
| Blechnum fluviatile   |                    | c           |
| Blechnum sp (unnamed; B. capense<br>agg.; Sp.1 of Brownsey) | koikio             | on wet bank |
| Cyathea dealbata  | ponga              | o           |
| Cyathea medullaris  | mamaku             | o           |
| Hypolepis ambigua   |                    | a           |
| Lastreopsis glabella  |                    | u           |
| Paesia scaberula  | ring fern          | o           |
| Pellaea rotundifolia  | tarawera           | c           |
| Phymatosorus scandens                                       | moki               | o           |
| Pneumatopteris pennigera                                    | gully fern         | wet bank    |
| Polystichum richardii                                       | pikopiko           | c           |
| Pteris macilenta  | sweet fern         | o           |
| Pteris tremula  | turawera           | c           |
| Pyrrhosia eleagnifolia                                      | leather leaf       | c           |
