

On L.H.

## **Indigenous higher plants seen at Wing Point wetlands between L. Onoke and Pounui Lagoon.**

Grid Ref.

Altitude m.asl

Visited 22.02.98, T. Silbery, P. Enright

Time on site 4 hours

List # 9

Nomenclature generally follows Indigenous Higher Plants of New Zealand, 8th revision, 1992 by A.P. Druce

The asterisk indicates that the species was seen only in the saltmarsh on the north side of L. Onoke.

### **Gymnosperm trees and shrubs**

### **Monocotyledonous trees and shrubs**

*Cordyline australis*

### **Dicotyledonous trees and shrubs**

*Coprosma rigida*

*Coprosma propinqua* x *C. robusta*

*Leptospermum scoparium*

*Ozomanthus leptophylla*

*Plagianthus divaricatus*

### **Monocotyledonous lianes**

### **Dicotyledonous lianes and related trailing plants**

*Calystegia sepium*

*Clematis forsteri*

*Muehlenbeckia australis*

*Parsonsia capsularis*

### **Psilopsids, Lycopods and Quillworts**

### **Ferns**

*Azolla filiculoides*

*Pteridium esculentum*

**Monocotyledonous herbs**

**Orchids**

**Grasses**

*Cortaderia toetoe*

**Sedges**

*Carex flagellifera*

*Carex geminata*

*Carex virgata*

*Cyperus ustulatus*

*Eleocharis acuta*

*Isolepis cernuua\**

*Isolepis nodosa*

*Isolepis prolifer*

*Schoenoplectus pungens*

**Rushes and allied plants**

*Juncus australis*

*Juncus gregiflorus*

*Juncus maritimus*

*Juncus pallidus*

*Juncus sarophorus*

*Leptocarpus similis*

**Monocotyledonous herbs other than orchids, grasses, sedges, rushes and allied plants**

*Potamogeton suboblongus*

*Triglochin striata*

*Typha orientalis*

**Dicotyledonous herbs - composites**

*Cotula coronopifolia*

*Gnaphalium gymnocephalum*

*Gnaphalium involucreatum*

**Dicotyledonous herbs other than composites**

*Apium prostratum* var\*

*Crassula sinclairii*

*Crassula* sp.

Einadia triandra\*  
Epilobium pallidiflorum  
Galium propinquum  
Lilaeopsis novae-zelandiae  
Limosella lineata  
Mimulus repens\*  
Samolus repens\*  
Selliera radicans\*
